Letter to Pete Dronkers re Excelsior Draft Permit 11 09 2017.pdf  
Excelsior Public Notice extended to Jan 8 2018.pdf

Greetings Dave,

This email is to inform you that EPA received a request to extend the public comment period for the Underground Injection Control Class III Area Permit for the Gunnison Copper Project. Attached is our response, along with an amended Public Notice to reflect the extension of the public comment period to January 8, 2018.

Thank you,

Audrey L Johnson
